Mr. Zeev Miller
CEO, ICA Israel

Dear Zeev,

We would like to express our deepest gratitude and sincere appreciation for your generous contribution at the helm of ICA to the advancement of the Educational Kitchen initiative in "Emek Hahula" High School.

We bear and thrive on pedagogical dreams of initiatives and innovation in the Galilee and in our school in particular. In your contribution you have become a significant partner in actualizing these dreams.

We are most grateful for your sincere faith in the Upper Galilee regional council and in "Emek Hahula" school along its student body and teaching faculty.

"Technology is nothing. What's important is that you have a faith in people, that they're basically good and smart, and if you give them tools, they'll do wonderful things with them." (Steve Jobs)

With deepest appreciation,
