Dear Zeev,

We are excited to send you the 2011-2012 annual report for the Support Center for Students with Learning Disabilities.

In the academic year of 2011-12, the Support Center continued to fulfill its role as a pioneering institution making higher education accessible to students with learning disabilities. We are proud to share our activities and new initiatives in the year 2011-12, and are thankful for your vision and dedication in supporting this endeavor; we look forward to many more years of partnership with you!

Warm regards

From the External Relations & Development Team at Tel-Hai
